I'm not in a position to help out this year

No problem. We understand that not everyone can help. And I'm sure you'll understand that with the demand for our services, we have to ask! Thanks again for everything that you do.

what is Tea Day?

Tea Day is a social occasion where thousands of people - friends, family, work colleagues, neighbours - come together to drink tea and raise money for The Alzheimer Society of Ireland. We want to make Tea Day 2011 the biggest and best Tea Day yet... a real day to remember!

when is Tea Day? This year the official Alzheimer's Tea Day is Thursday, 5th May. But you can hold yours on a day that suits you, close to the official date if you prefer. The important thing is to raise as much money as possible to help us reduce the waiting list of people who desperately need our support services.

where is Tea Day held?

Many hosts hold parties in their own homes with friends. Parties are also held in schools, at work, in churches, community halls and parks. Just about anywhere you can enjoy a nice hot cuppa will do!

what about Tea Day supplies? Once you've registered you'll be provided with whatever supplies you need: posters, personal invitations, collection box, raffle tickets and your own specially coded Bank Giro. Please be sure to order by Thursday 21st April to guarantee arrival by Tea Day.

how much should people give? Whatever your guests feel is appropriate - but the more you can raise, the shorter our waiting list will get. For every €25 raised we can provide an extra hour of care in your area. There are plenty of ways to encourage donations, like raffles, prize auctions and games. Be creative!

how do I return collections to The Alzheimer Society?

After your Tea Day, lodge the money you collect at any Bank of Ireland branch using the pre-coded Giro we'll provide you with. We'll send you a receipt to say thank you.

what if I can't host a Tea Day but want to donate?

If you can't host a Tea Day this year but would like to make a donation, all you have to do is fill out the Donation Section overleaf and send it back to us.

thank you!

Early birds make a big difference! DEADLINE APRIL 21ST

The earlier you can register your Tea Day the better. If you can complete and return your 'Tea Day Host Form' before our deadline of the 21st of April, we can process your application quicker and get your materials out to you without delay. And that means a better Tea Day all round.

Thanks for being an Early Bird!

"My mother Connie lived with Alzheimer's disease for the last 14 years of her life. I have absolutely no doubt that she was only able to live at home for as long as she did because of the services of The Alzheimer Society. Please help me to make this Tea Day a day to remember." Pat Kenny
